

HOW TO GET THE CAR TAX REDUCTION NOW

If you have your renewal notice, you may pay the full amount as shown and wait for the department to send you a refund. The department will begin mailing VLF refunds in early 2004. If you want to claim your Vehicle License Fee offset amount now, follow these steps:

1. ☐ Locate the Vehicle License Fee (VLF) portion of your renewal fees.
2. ☐ Multiply that amount by .675.
3. ☐ Subtract the amount you just calculated from the Total Amount Due. Round this amount to the nearest whole dollar. This will be the new Amount Due.
4. ☐ Send a money order (available for purchase from the Post Office or various merchants) or check (no cash, please) for the new Amount Due to the address shown on your renewal notice.

Please remember to pay your registration on time to avoid penalties.

EXAMPLE

$$\begin{array}{r} \$404 \\ \text{Calculation } \times .675 \\ \hline \$272.7 \end{array}$$

$$\begin{array}{r} \$467 \\ \text{Calculated Amount } -273 \\ \hline \text{New Amount Due } \$194 \end{array}$$
